

Hope, of the: Machine.

“Diagonal : Finale” & “System Frame work.”

COMPUTER ECONOMY / TOTAL GLOBAL CONCEPT SYSTEM.

-50 % / 50 %: Personally.

-1'296 units, per “month, in reset” &
“12'000 units, per “year, in reset.”

Yearly / monthly reset clock, for all: “Digitalized cash”
/ Complete restandarding, of the: Product’s “unit
prices.” / Possible jail penalty or bills, if: Survival is
“repeatedly, not maintained.”

By “reset,” it means that: Everyone’s money. Would be, restored to: The, casual
amount. Every: Month, and year. Nobody, is: Saving. And nobody, is: Starving.

Opening, of the: “Company Council.” This, is the: Network, of company “bridge
setup” & mounting. Plan working, the transport of, the total: Amount, of the base
“needed goods & materials.” From: “Fabric to fabric, and further.” Scaled for,
example in the: Necessary “liters.” One yearly, and one: Monthly, capital account.

The prayer, for: “Machines.” Are literally, the true: “First computer origin” &
“machine dream phaze.” Meanwhile, the computer simply: Made, a corrupt
“cash mess.” Because, the prayers where: “Forgotten.” Until: “Now.”

The value unit, will be: The same, every month. No, matter: What. Also every
time, you do: Pay, with them. The amount, is: Simply, deleted. And a, receipt is:
Made.

“Computers Prayer, early yr 1893.” - Edward Munch’s “Scream.”

Father sun, and: Mother earth. They, had: Sex.

-Nobody is, to be trusted with: Cash in between, their hands.

-Rich & poor, have: Gone for decades.

Both, rich & poor: Agreed.

-What can we, do: About this?

“Computers Prayer, later yr 2006.” - BVL’s “The Topaz Photo Series.”

-Nobody is, to be: Trusted, with “computer economy.”

-They keep on, freely: Counting & calculating. Their, increasive: Numbers. And
they, claim: That being stuck, in a capital calculation. Is “hard work,” for a life
time. Yet, in politics: A “capital calculation,” is useless.

The capital, is: Currently overwhelming, in poor difference.

-And suddenly, they: Are throwing “cake, to nothingness.”

-The computers “original meaning & prayers,” is all forgotten!

-What can, we do: About this?

“We wont, have another: Split decade.”

-Rise, the: “Computer solution!”

The computer, was an attempt of: “Human establishment.”

-As, the: False shaman “squeezes, slightly tougher.”

Establishing: “Only, a few.”

Written, by: “Bendik Viking Aurbakken Laland.” A science artist & researcher.

-My grand father “Erik Aurbakken”, was among the first “computer constructors.”

The other, “Sigurd Viking Laland” was “a priest.” 2013.
