

BVL : research on numbers & accuracy - "Three Quarters Four."
 Science, of mathematical: Calculation & technique. Introducing, two new: Numeric, characters. Rounding, off: "12," by "10."

"50 = 60," /& "8 = 8," /& "8 = 10," /& "10 = 12," /& "∂ = 7," /& "6 = 5," /& "7 = 11."
