As the, quick & brown:  
 Fox jumps over, the lazy dog.  
 So does, mass: Drive, the watcher.  
 If only, the dog is: Left, watching.  
 Then he, should be the security.  
 That's, the: True & last dog, in politics.  
 The dog, would not: Guard, the bank.  
 And the fox, would: Break, the bank code.

Two Scans, of the: BVL DNA.

One Mighty Reason, for: Numbers.

According, to: Ancient buddhism & Shanga / LSD, so could this be of an "universal analysis."  
 The final steps, are not for: Children.

Resulting: Common DNA.
